Dallas Radio Control Club Meeting minutes

The Dallas Radio Control Club held its meeting on February 18th, 2026 via Google Meets.

The meeting was called to order by Parry Bartlett at 7:40pm.

The following club officers and members were present.

- 1) Perry Bartlett- President
- 2) Michael Clements- Vice President
- 3) Wes Lewis- Treasurer
- 4) Richard Pence- Secretary
- 5) Jeff Dinius
- 6) Robert Umpleby
- 7) Eric Delano- Field maintenance

The first order of business was to approve the last meeting minutes. The secretary was asked to go over the prior meeting minutes. Richard Pence explained the meeting minutes would be posted in the DRCC newsletter and available for all club members to view. Wes Lewis put the meeting minutes up on the screen for everyone to view. Richard Pence asked for a motion to approve the last meeting minutes. Wes made a motion to approve the minutes and Perry seconded the motion.

Perry asked for the treasure report. Wes reported the club has a total of \$3,995.00 dollars of which \$3,310.00 dollars are in the bank account, and \$685.00 dollars are in the club's PayPal account.

Wes reported he made a withdrawal of \$135.00 from the club's bank account to cover the 2026 AMA club charter, \$50 for the charter renewal and \$85 for club site insurance, and another withdrawal of \$35 for the warbird and jet fly-in AMA sanction, #19718.

Perry asked for the status of the Club's lease agreement with the City of Dallas. Wes reported he has been in contact with Janet Meza of the City of Dallas Parks and Recreations Department. Janet is working on a 1-year lease agreement renewal and said it would be forthcoming.

Perry asked for volunteers to work at the Jet/Warbird event in May.

Respondents to help at the event are:

- Richard Pence
- Perry Bartlett
- Eric Delano
- Michael Clements

Wes reported a problem with the software the club uses for its mass emailing "Dual Rates" and has sent them an email.

Perry Bartlett went over a list of items that we will need for the event in May to be decided upon at our next meeting.

- Pop up tents
- Food
- Coolers
- Generators
- ort-a-Potty

Perry adjourned the meeting at 8:24

Next club meeting will be on March the 18th, 3rd Wednesday of the month, a link will be set out to join the meeting, major item to cover will be the upcoming Warbird/Jet fly-in.

Quick note on emailing the link, if I use Dual rates, club software, for some reason it wont send a clickable link but you can copy and paste the link into your browser to join, I sent a separate email from my personal email account that had a clickable link so I will probably do both next time pending any up date from dual rates. One thing we discussed was moving the meeting to 8:00 instead of 7:30 but this is something we need to decide on in a club meeting. In the meantime:

GET OUT AND FLY
